Jones Park Softball Field Light Improvements Complete

Sweetwater, Texas – The City of Sweetwater is proud to announce the completion of the lighting project at Jones Park.

The project was approved during the 2022-2023 budget, with a proposed cost of \$130,000. With the assistance of Aspen Electric, the City of Sweetwater completed the project substantially under budget at \$78,000. This includes the total cost of the poles and installation.

With the continuing increase of enrollment in softball, these lights will be a great addition to the community and allow another field for teams to host games and tournaments.
